Discuss the Principle of Learning

You Are a Child of God

Read the principle of learning for this lesson aloud.

I am a child of God with eternal potential and purpose.

Consider what you have learned about your identity as a child of God. Think about your relationship with Him.

Consider what He has taught you about your purpose and your potential. Reflect on the experiences you have had learning English. How have you felt Him helping you do things you thought were impossible?

You Are a Child of God

Your experience partnering with God to learn has prepared you to help others.

Jesus taught us: “I give unto you to be the light of this people. ... Therefore let your light so shine before this people, that they may see your good works and glorify your Father who is in heaven” (3 Nephi 12:14, 16).

Discuss the Principle of Learning

You Are a Child of God

You have so much light to share. You can be an example of how God can help His children learn and progress. You can share how God helped you learn English. You can help others learn to partner with God to achieve their potential. You can share with them how you have come to believe the statement “I am a child of God with eternal potential and purpose.”
