

QuickReg

CREATE YOUR GROUPS. EXPAND YOUR REACH.

“The purpose of both temporal and spiritual self-reliance is to get ourselves on higher ground so that we can lift others in need.”

—ELDER ROBERT D. HALES

QuickReg is the official Church registration tool for all Welfare Self-Reliance and EnglishConnect groups at all levels. QuickReg ensures compliance with the Church’s data privacy policies and automatically syncs with leader and clerk resources (LCR).

Leaders and teachers can create and manage groups and invite participants. Participants can find groups in their area and quickly self-register in their native language. QuickReg empowers leaders and teachers to better serve members and friends of the Church through Church programs.

BENEFITS FOR LEADERS & TEACHERS

CREATE & MANAGE YOUR GROUP

In just a few minutes, leaders or teachers can create a group. Groups in QuickReg can be found online at: ChurchofJesusChrist.org/self-reliance/register/leader

SHARE THE UNIQUE GROUP LINK

Each group has a unique URL associated with it. Leaders, teachers, and participants can use this URL link/QR code to invite others through email, text, WhatsApp, or social media.

VIEW REPORTS IN LEADER AND CLERK RESOURCES (LCR)

Enrollment and completion reports are automatically synced with leader and clerk resources. Leadership councils can use these reports to guide ministering efforts and help participants progress.

APPROVE AND PRINT CERTIFICATES

Teachers and leaders can generate certificates to print, distribute, and celebrate growth with participants.
